	necessary, must be approved by Vdowenko, acting director of the Purchasing Office. It is reported that this order was issued to the personnel at Schwechat refinery and Neusiedl Central Warehouse. It is purchased that the SMV Purchasing Office reduce its purchases to a minimum and refrain from storing large amounts of goods at the warehouses. It was further said that orders of flat steel, sheet iron, corner iron, U-shaped iron, beams and round steel, which were to be imported from the USSR, had been cancelled. In addition, orders for several types of pipe had been reduced. Allegedly the S V is now attempting to produce as much oil as possible without any further investments.
